I poop in the potty chair when I need to	I keep my underwear dry all day	I pee in my potty chair when I need to go potty	I wash my hands after I go to the bathroom
I remember to put on my undies by myself	I can use the potty when I am away from home	I made up a dance to "The Potty Fairy" song	We took of a picture of me wearing underwear and shared
I showed my big underwear to someone	I decorated my Potty Fairy Crown and wore it	I helped bake a special treat for my potty celebration	I shared my potty training story with someone
